Cuesday - 7 January 1964		
be Senate Preparedness Investigate to a speech made by Se a this speech McNamara disc of U.S. and Soviet forces. Ke December some of the member have figures and asked the structured Kendall that the Dist U.S. versus Soviet military would like to have our reaction fendall said he realized that to would look into it and be in tou	peretary of Defense Managerta indesistated in a Subcome rate expressed reservate of to ask CIA to revise rector will not become strength. Kendall so to the Soviet figures his was a touchy questich with idea. I told in	contacted as with Namara on 18 November of the relative strength mittee meeting in ions with respect to w them for accuracy, involved in comparisons id he realized this but used in the speech. Ion but asked if we make would do so.
Defense Subcommittee of House Director would be available on Soviet military posture. As i contemplated and generally it of information it was pointed of this Subcommittee will not occupe the lead-off witness for the into this and advise.	se Appropriations. Me the 15th of January to a the past, at least on will run into the secon out that the McNamars our for about a month.	ahon was hoping the prive a briefing on the still day is a matter of Taylor briefings of The Director would
